Dear Parent/Carer

### **Year 9 Option Choices**

You will be aware from the calendar sent out at the start of the year that the Year 9 Options Evening will be held on Thursday 5<sup>th</sup> March 2008.

The evening is intended to inform pupils and parents about the options process at Sydney Smith, including the improvements we are making to curriculum choices for 2009, and to make sure pupils choose the most appropriate option for their Year 10 KS4 courses.

The Options Evening will be the first opportunity for students to see the options available and to discuss courses with subject teachers before making their choices. A connexions careers advisor will also be present.

There will be a brief talk at 6.00pm about the options process and this will be repeated at 7.00pm. There will also be the opportunity to find out more about the courses on offer, from subject teachers.

The option choices this year are radically different to previous years and I very much hope you will join us at this important meeting and take advantage of the opportunity to find out more about Year 10 KS4 options courses at Sydney Smith.

I look forward to seeing you then.

Yours sincerely

*L Chapman*
