Dear Parent/Guardian

Option Evening – Thursday 28th January 2010

On Thursday 28th January 2010 we will be holding an Options Evening. This is an important part of the school curriculum that personalises learning opportunities for our students. Year 8 pupils are asked to choose two options for study in year 9. Year 9 pupils are already studying two options and they now have an opportunity to choose two further options for study in year 10. Similarly, year 10 pupils are already studying two options and they now have an opportunity choose two further options for study in year 11.

The evening is intended to both inform and remind pupils and parents about the options process at Sydney Smith and to make sure pupils choose the most appropriate options. This Options Evening will be the first opportunity this year for students to consider the options available to them next year. Pupils will also have further opportunities to discuss courses with teachers before making their final choices.

A connexions careers advisor will also be present, as well as representatives from the LA 14-19 team.

The evening will begin at 6:00pm and there will be a presentation in the main hall at:-

6:00pm for Year 8 moving to Year 9.

6:30pm for year 9 moving to Year 10.

7:00pm for Year 10 moving to year 11.

7:30pm for anyone unable to attend an earlier presentation.

Please make every effort to attend the session for your son/daughter's year group. Teaching staff will be available from 6:00pm – 8:00pm to discuss specific subjects.

I very much hope you will be able to join us at this important meeting, and take advantage of the opportunity to find out more about the different option courses at Sydney Smith School.

I look forward to seeing you then.

Yours sincerely

L Chapman

Mrs L Chapman
Assistant Headteacher
